Rules:

This race is a USA Cycling race and all USAC rules apply including junior gear and bike restrictions. Centerline rule is in effect. While out on course, it is imperative you obey the USA Cycling officials. One USAC Official Moto will be paired with each race, and will eject you from the race if you do not stay right of the centerline, or misbehave during the race.

Road Support: There will be a van continually roaming the course to pick up riders who cannot continue the race due to a mechanical or would like to abandon. There are no follow cars for individual races, so bring a spare tube and pump!

Feed Zone/Discard Zone: There is a feed zone near the Finish Line. Feed Zone will only be available for races 5 laps (48.4 miles) or longer. Please discard all items in this area if you need to do so; we need to treat the whole course with respect and keep it free from litter.
